1. State position on Mayer – Dulles – 15 min
One of the last good men left – is a friend to our hopes for E – needs to be supported – hard to see who could replace him who would be as friendly to us

Views:
– Provide TV time ~~for~~ for Mayer to tell the people of US Pr is not fighting a col'l war – wants out – cost in men lives
– Give him top Nato spot – end of Center or Ridgeway's job – State, JCS, Psych to look into problem for poss repercussions – gen agreed no other E would accept it. Best at least we wd have proved to be our good faith in renouncing top spot –

2. CIA Brief – 10 min
~~Pres~~ asked for Kashmir situation – What prep – promised study by FM 3/26 –
Briefed on IC – w map – gave own view of necessary simultaneous advance of pol-mil ~~situ~~ improvement on a firm timetable

3. Defense – Super presentation –
